### *Information for Pre-Purchased Meals*

If the amount of money applied towards pre-purchase meals is *\$400 or less*, you may choose to be “paid back” over **1 year** OR over **2 years**. If the amount of money is *greater than \$400*, you will be “paid back” over **2 years**. In each case, you will receive a portion of your credit **90 days** following receipt of your contribution.

**My amount for Pre-Purchased Meals is \$400 or less; I am choosing to be paid back over**  **One Year**  **Two Years**

**1-Year Pay-Back:** Ninety days following receipt of your contribution, you will receive dining credit in the amount of 10% of your contribution. Each consecutive 9 months, you will receive dining credit in the amount of 10% of your contribution. This monthly credit must be used in full during the month it is received. With your written permission, others may use your credit.

**2-Year Pay-Back:** Ninety days following receipt of your contribution, you will receive dining credit in the amount of 5% of your contribution. You will then continue to receive dining credit in the amount of 5% on 19 out of the next 21 months. You choose on which two months you will not receive a credit. This monthly credit must be used in full during the month it is received. Again, with your written permission, others may use your credit.

### *Standard Loans*

Let's talk together about the specifics of this. We look forward to discussing it further.
